FOR YOUNG PEOPLE, AND TENDULKAR MIDDLESEX GLOBAL ACADEMY (TMGA) PARTICIPANTS

TMGA is committed to the development of our elite young cricketers and the realisation of their achievements.

As society, attitudes and patterns of behaviour are changing, TMGA has made the decision to issue a Code of Conduct to all TMGA activity participants and they thereby agree to fully abide by its contents.

Players (participants) are the most important people in cricket and during TMGA activities. When playing for a team to win is the fundamental aim of the game; but not to win at all cost, fair play and respect for others in the game is fundamentally important. When in training and developmental activities; playing with respect the coach(s), your peers, the facilities and learning environment is vital to maximise your own learning as well as supporting and accelerating your peers development too.

The principles that underpin this Code of Conduct are:

- The players' welfare is paramount.
- All players, whatever their age, culture, disability, gender, language, racial origin, religious belief or sexual identity have the right to protection from abuse.
- All players have the right to be safe and treated with dignity and respect.

Any breach of this Code may lead to the player being warned as to their future conduct or in more serious cases being suspended or barred from participation in TMGA activities. During festivals, programmes or tours players may be sent home for serious breaches of discipline.

A Disciplinary Procedure is available upon request.
